

West Wilts Section of the VMCC Regulations

THE WEST WILTS SCAMPER 2026

A road safety run for girder/rigid or small capacity motorcycles

Date: Sunday 23rd August 2026

Venue: The Bell, High Street, Yatton Keynell, SN14 7BG

Summary: A run over a choice of two circular routes, circa 40 or 75 miles, on quiet mainly C and B class roads in the South Cotswolds, primarily for VMCC-eligible girder forked or rigid framed machines of any age & capacity or VMCC-eligible motorcycles up to a capacity of 250cc. Optional easy green lane sections are available on both routes.

Officials: Event Secretary: Jon Hall jonhall850@gmail.com 07771 820175
Section Treasurer: Martin Hirst: gizmomrsduck@aol.com
Route planner and route book editor: Tony Barnett/Jon Hall

Restricted to current VMCC members and day members, with an entry limit of 75. Day membership is available for this event at nil cost. Entry to be in advance, on the official entry form with payment of £5 (including documentation sent by email only) or £8 (including information by email plus printed copies by post). Participants may identify others they wish to ride with. Confirmation of acceptance of entry will be by email.

Final instructions, the routes in a Tulip format, a list of entrants & their machines and their rider numbers, will be emailed to all participants at least 7 days before the event.

Overnight camping for caravans, tents & camper vans is available locally, including; The Moors, Chippenham, SN14 6HT. <http://www.wiltshirecamping.co.uk>

On the day, parking for vans and trailers will be in the field and/or car park behind the Bell Public House. Signing on collection of event rider number from 08:30 in the Barn next to the pub. Breakfast baguettes available from 08.30 [details with final instructions]

09.30 Machines depart on participant's choice from two routes [75 & 40 miles, with 75 mile riders leaving first], in numbered order, in pairs, at 1 minute intervals. The routes will not be marked and the Tulip route book will be the definitive method of navigation. A number of optional short gentle green lane sections will be available which are integrated with the road route. These are principally on gravel and woodland tracks which are Byways Open to All Traffic. There will be no timing element, save the need to finish before a set time [see below].

In order to meet the criteria for Road Safety Runs, we may have at least one secret point on the joint route manned by Section members where a Highway Code question may be asked of participants. This point will be chosen at a location where participants can park safely. The expectation is that no participant will achieve an average speed over the route of more than 24 mph.

The official Finish will close at 14.30. All finishers must sign off in the Barn next to the Bell. Sunday Lunch will be available at the Bell between the hours of 12 noon to 19.00. Prior booking is advised on 01249 782216. There will be no competitive element to this event and no formal Awards, though the organisers may at their sole discretion choose to make a number of informal awards.
