**ANNOUNCEMENT**

The West Wiltshire Section of the VMCC LTD, will hold on Sunday 7<sup>th</sup> July 2019 a scatter navigational road trial for motorcycles and tricycles. The event will be known as the WHITE HORSE SCATTER NAVIGATION TRIAL and will be run under the authority of a VMCC Regulated PERMIT. The event will start and finish at The Three Magpies, Sells Green Wiltshire, SN12 6RN MR 950620 OS sheet 173. Telephone 01380 828389.

**ELIGIBILITY**

The event is open to members of the VMCC LTD. In the case of non-members, event membership of the VMCC is available at zero cost and must be applied for at signing-on. Riders taking part in the navigation trial are expected to use machines which comply with the VMCC 25 year rule. Exemptions from this may be given at the discretion of the organisers to fully paid up VMCC Members only and there will be no eligibility for any awards.

**ENTRIES**

Entries will be received forthwith on the attached official entry form, accompanied by the entry fee plus two stamped addressed A5 size envelopes (Note: SAEs are not required if you provide an email address for sending final instructions & results) and should reach the secretary of the meeting by **30<sup>th</sup> June 2018**. Late entries for the trial are possible but severely limit the amount of preparation time you get, unless of course you plan to ride with someone who has done all the planning for you! Entry fees are **£6** per rider and **£2** per passenger; A donation of say £2 per rider to the LARA Fighting Fund would be appreciated but this is entirely voluntary. Cheques and Postal Orders should be made payable to VMCC WEST WILTSHIRE SECTION. These will only be refunded in the event of the postponement or abandonment of the trial.

**LEGAL REQUIREMENTS**

Riders of machines must comply with all legal requirements. Riders must also ensure that a minimum third party insurance cover is valid for this type of event. You may be required to produce proof that you comply with legal requirements at any time during the event.

## **CHAMPIONSHIP**

The West Wiltshire Section Scatter Navigation Road Trial is a qualifying round of the annual VMCC Western Region Road Trials Championship.

## **DESCRIPTION**

Up to 30 control points will be set up all on OS Landranger Map 173 Swindon & Devizes. The location of the controls will be indicated by OS map references. This information and the final instructions will be sent out to participants about a week before the date of the event (please ensure you provide an SAE or email address for this information to be sent).

Participants must identify the location of each checkpoint and devise their own route through a maximum of 9 locations (for riders in the Veteran Class) or 12 locations for all other classes. The mileage should be around 50-80 depending on class, route chosen and number of controls attempted. Locations are deliberately chosen to minimise the need to use A roads in planning your route. Participants will be required to find the answer to a question to prove they have visited the location. There will be no marshals except at the start & finish. Ten of the locations will be found on green lanes. They are included for those who like a challenge and will often offer spectacular views; a description of the likely difficulty/condition will be provided. However, it will be easy to plot a route which does not require riding green lanes and they attract no special bonus marks.

Signing on will be open from 09:30hrs to 10:30hrs but no rider will be allowed to leave until 10:00. The start does not count as a one of your 9 or 12 controls but the final control does.

The final control must be The Three Magpies where there will be a Highway Code quiz and a riding skill test which will also be used as the tie breaker. Marks will be awarded for each control visited and completion of the special tests,

Riders arriving at the finish before 1:30pm will be deemed to have retired. The final control will close at 4pm. This may be extended at the organiser's discretion but should not be relied on. Any rider found to have exceeded an average speed greater than 30mph will be excluded from the results

The venue also offers camping and we have booked their rally field for the weekend; any bookings should be made directly with the pub. We would appreciate being advised of an intention to camp so that we can plan accordingly.

## **REFRESHMENTS**

The entry fee does not include refreshments. As usual we recommend that you choose your own lunch venue en-route or take a packed lunch. The Three Magpies will be open all day for those who wish refreshments.
