

Notes regarding VMCC West Wilts Section Meeting, 28th November 2019 at Chippenham Rugby FC

Over 20 members attended the meeting.

There was a good turnout for the wandering on 21st November to The Lansdowne Arms at Derry Hill (SN11 9NS) with at least 15 bikes and the food enjoyed by most, however there was again some issues regarding orders and payments so we shall look at ways to improve the issues in future.

Please note that the quiz scheduled for 12th Dec has been postponed till next year and will now take place on 23rd January. Brian has also volunteered to run a quiz which will be on 27th Feb. The calendar for 2020 is now finished but we are short of activities for the winter club nights at the start and end of the year, so all suggestions welcome.

Vince Povey gave a follow talk on Blakehill aerodrome and nature reserve tracing further developments in his investigations of the site's history, connections with veterans and their relatives, and the wildlife that make the reserve their home. Thanks Vince.

The section accounts are attached for perusal before the AGM.

Previously circulated Cotswold section wanderings attached with times and postcodes added, they have other runs and events on the VMCC website but these are the ones they sent to me.
